

## Valentine's Day

If your child would like to hand out Valentine's to their classmates please ensure that they are sent to school one week prior so that they can be quarantined. That means that Valentine's are due to school on Thursday, February 4.

We ask you not to address valentines to specific students, it is just too tricky at this age to hand out. Instead, just have your child write their name in the "from" section.

There are 19 students in our class.

Pre-packaged treats are ok as long as they have the week to quarantine and are individually packaged. Examples of this include boxes of Smarties, Rice Krispies, etc.

Our class will hand out their Valentine's on Friday, February 12.

If you have any questions please do not hesitate to contact us.
